

Bunny Suit

Christ Humbled Himself

PREP

Mark a Bible to Philippians 2:8.

DEMONSTRATION

Ask, “Would anyone be willing to wear a bunny costume and go to other classes to play the part of the Easter bunny? Would you still do it if I asked you to wear it in front of the High School Students?”

Let them give their thoughts out loud.

OBJECT LESSON

Of course some of you are goofy enough to wear a giant Easter bunny costume in front of anyone, but most of you don’t sound too excited about it. Try to think about something that *would* embarrass you if being the Easter bunny wouldn’t.

Now think about how Jesus was in heaven with God, but willingly came to earth and humbled himself to be born a little baby in a dirty stable of all places! Then Jesus lived like a normal person. He was God but didn’t grow up in a palace and didn’t have servants. And then at the end of his life he willingly let people—whom he created—humiliate, beat, and eventually nail him to a cross.

Philippians 2:8 says Jesus “humbled himself by becoming obedient to death—even death on a cross!”

Jesus chose to humble himself when he didn’t have to when we didn’t deserve it at all.

Once again, this shows how great Christ’s love is for us, and that he really does understand everything we face because he has faced the same temptations and struggles.

WRAP UP

“Jesus gave us the greatest gift when he put himself in a position of humility and humiliation. How can we be humble like Jesus so that others can be saved, too?”
