

Spring Flowers

God's Amazing Love

PREP

Supplies:

- One inexpensive bouquet of spring flowers, or simply pick some flowers and put them in a vase or a cup.

Mark a Bible to John 3:16 and Romans 5:8.

DEMONSTRATION

Show the flowers to your students and have two volunteers come and get a flower and ask them both if they think God cares for flowers. Let them answer and then take their seats and keep their flowers.

“Isn’t it interesting that we (at least we ladies) enjoy looking at flowers, having them in our homes, and we even like spending money on them?!”

OBJECT LESSON

The Bible tells us in Matthew 6:27-29 that flowers don’t worry about anything because God has clothed them more beautifully than the expensive clothes the famous King Solomon wore. And the next verse goes on to ask why we don’t trust God with our lives when He takes such great care of flowers. They’re just plants that will even be dead tomorrow.

Think about how much God loves you if he loves even the simplest flowers! God made us in his image and sent Jesus to die for us! That is true love and that’s what Easter is all about.

John 3:16 says, “For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life.”

And Romans 5:8 says, “But God shows his love for us in that while we were still sinners, Christ died for us.”

WRAP UP

Easter is all about God’s incredible love for us. Even though we don’t deserve anything good, God sent Jesus to die a horrible death and come back to life so that we could no longer be enemies of God. Instead, we could have a relationship with Him. God loves the flowers enough to make them so beautiful. He provides rain, sunlight and dirt so they can grow. How much more does he love us?
